(B) Statement of provision of node machines

Aitubi AG hereby guarantees that we shall provide node machines in accordance with the required Hardware Configuration for running the IC Network, as described on the IC wiki (see [Node Provider Machine Hardware Guide](#)).

(C) Statement of good intent

We guarantee to the world that we shall honestly operate the node machines we provide, and that should we behave dishonestly, for example by deliberately interfering with our node machine(s) to prevent them correctly processing ICP protocol messages, in collusion with others or alone, that we will be liable to users of the network, and to other node providers, for any damages caused.

We further declare we are aware that any deliberate interference with a node machine, which causes it to incorrectly process ICP protocol messages, represents a misuse of that hardware, and of any hardware it interacts with, and that in some jurisdictions, that may constitute a crime.
