(B) Statement of provision of node machines

We hereby guarantee that we shall undertake our best efforts to provide node machines in accordance with the required Hardware Configuration for running the IC Network, as described on the IC wiki (see [Node Provider Machine Hardware Guide](#)).

(C) Statement of good intent

We undertake to honestly operate the node machines we provide, and shall use our best efforts to avoid any interfering with our node machine(s) to prevent them correctly processing ICP protocol messages.

We further declare we are aware that any deliberate interference with a node machine, which causes it to incorrectly process ICP protocol messages, represents a misuse of that hardware, and of any hardware it interacts with, and that in some jurisdictions, that may constitute a crime.
