

Statement of Node Machines Hand-Over and Declaration

Date: Dec 17, 2024

This statement serves as a formal declaration of the handover of node machines between the following parties:

Existing node provider: Starbase

New node provider: Aksinia Stavskaya

We, the undersigned, confirm the transfer of 28 node machines from the Existing node provider to the New node provider. The following details outline the specifics of this transfer:

1. Handover of Node Machines:

A total of 28 node machines have been successfully handed over from the Existing node provider to the New node provider as of the date specified above.

2. Operation of Excess Node Machines:

Excess node machines, beyond those deployed for immediate use, will be operated and maintained at the **TY2 (Equinix TY6)**.

3. Declaration of Independence:

Both Existing node provider and New node provider declare that they do not hold majority control in each other's operations. Each party operates independently, with no undue influence or control over the other's activities.

4. Node Deployment Confirmation:

Existing node provider confirms that two nodes have been deployed with the following configuration in the data center mentioned above:

- IPv4 addresses assigned per node.
- Domain name properly registered and configured for operational use in the respective DC.

5. Start Date for New Reward Values:

Feb 1, 2025
